
POV SELF-UNLOADING POLICY

POV's are vehicles used to transport people such as cars, 1/2 ton pick-up trucks, limos and taxis. Box trucks no longer than 24' in length and pick-up trucks pulling trailers under 12' are also permitted to check in as POV's. The vehicle must be unloaded/loaded by full-time exhibitor personnel, by hand, or with the use of exhibitor-owned, non-motorized two-wheeled hand carts. This does NOT include pallet jacks or motorized equipment of any type.

POV's must report in at the designated POV Check-In Area at show site. Drivers must not leave the vehicle at any time. It is suggested that two persons accompany each POV.

POV's may check-in during exhibitor move-in or move-out hours. A POV must be completely unloaded within 30 minutes of arrival at the loading dock area. Multiple trips are permitted as long as unloading is completed and the vehicle is removed from the loading dock within 30 minutes.

- POV space is available to all exhibitors who do not require our material handling assistance during move-in and move-out.
- The use of motorized or mechanical equipment is not permitted to self load/unload a POV. This service is covered in Material Handling.
- If needed, empty storage and return will be provided at the prevailing rates.
